

I'm not robot!

Through more than 40 years of study and experience, Joyce has become an expert in this field. Let's include some timely tips from Joyce to help you throughout. By Joyce Meyer Copyright AA© 1995 Joyce Meyer All rights reserved. ISBN: 0-446-69 109-7 The mind is the battlefield Because we are not fighting with flesh and blood [contending <sup>3</sup> with physical adversaries], but against despotisms, against powers, against [the master esp<sup>3</sup>iritus who are] the world rulers of the present darkness, against the spiritual forces of evil in the celestial (supernatural) sphere EPHESIANS 6:12 From this Scripture we see that we are at war. A careful study of this verse informs us that our war is not against other human beings but against the devil and his demons. Our enemy, Satan, tries to defeat us with strategy and strategy, through well-established and deliberate plans. The devil is a liar. Jesus called him<sup>3</sup>... the father of lies and all things false (John 8:44.) He's lying to you and me. It tells us things about ourselves, about other people, and about circumstances that just aren't true. However, it doesn't tell us all the lie at once. It begins by bombarding our minds with a cleverly designed pattern <sup>3</sup> petty thoughts, suspicions, doubts, fears, amazement, reasoning and fears. It moves slowly and cautiously (after all, well-established plans take time). Remember, he has a strategy for his war. He's been studying us for a long time. He knows what we like and what we don't. He knows our insecurities, our weaknesses and our fears. Knows what bothers us most. He's willing to invest as much time as it takes to defeat us. One of the devil's strengths is patience. They DEVELOP THE FORCES Because the weapons of our war are not basic [weapons of flesh and blood], but they are powerful of God to overthrow and destroy strongholds, [to the extent that] we refute arguments, theories, and reasonings, and every arrogant and noble thing that sets forth .duoj .Inednepedni si eH5 .yemom "nwo" reh evah liiw ehs os krow of stnaw eH5 .nerdlie eht enilpicsid dna secnanif eht eldnah .snoiscied eht lla ekam of stnaw ehs-ysob si eH5 emoh rieht fo daeh eht eb nhøj tel of woh wonk l'nseod ehs taht si melborp s'YrAM .severen yb desuac smelborp heamots gnivah si nerdlie eht fo enO .rovabahb dna krow loobcs rieht ni pu gnivohs si efrts eHT .emoh eht ni smelborp eht yb detceffa gnieb era ohw nerdlie owt evah yehT .lufneser dna rettib .yrnga htob era yehT .emit eht lla meht neewteb efrts si erehT .eqairram yppah a gniyojne ton era .nhoj ,dnabsuh reh dna YrAM EDIS S'YRAM .elbarap a hguorht ylrælc erom nalp sih enimaxe s'teL .nalp sih tuo krow ot emit sih sekat eh .yrubh on ni si eH .6 .noitpeced etarebled dna snalp dial-llew hguorht' tieded dna ygetarts hguorht ti seod eH .5 .dnim ruo ni sdlohgnorts pu tes of yltnegilid skrow lived eHT .4 .dleifelttab eht si dnim eHT .3 .nataS si ymene ruO .2 .raw a ni degagne era eW .1 :taht nees evah ew raf os .suhT NOITAUTIS EHT FO YRAMMUS .dleifelttab eht si dnim eHT .dnim eht ni no seog yvitica siht fo lla .sgninosæer dna seiroeht su sreffe eh ;su htiw seugra lived eHT .stnemugra etufer dna snopaew eseht ekat ot era ew taht syas esrev siht fo noitalsnart elbiB deifilpmA eHT .degaw si erafraw siht hcihw no dleifelttab eht fo noitaocol eht ylrælc su swohs 5 esreV .erafraw lautirips .erafraw ni degagne era ew taht ees ew niaga ecno taht eciton esaelp .won thgir tub .retal snopaew eseht tuoba erom nrael liiw eW .sdlohgnorts s'nataS emocrevo ot deen ew snopaew eht evah ew taht su silet luaP eltsopA eht .egassap siht ni .gnikniht fo yaw niatrec a ot eud .nosirp ni egadnøb ni dleh era ew hcihw ni aera na si dlohgnorts A .dnim ruo ni "sdlohgnorts" pu tes ot stpmetta nataS ,ticed gninnuc dna ygetarts lufærac hguorht' 5,4:01 snaihtniroC 2 .JenO detnionA eht .haisseM eht( tsirhC fo ecneidebo eht otni evitpac yawa esoprup dna thguoht yreve dael ew dna .doG fo egdelwonn [euqr] eht tsmiaga pu and an annoyance. At this moment you can be thinking, à «I have your answer. She needs to meet Jesus. "He knows him! Maria received Jesus as her Savior of her five years ago, three years after she and John marry. "Do you mean that there has not been a change in Maria since she received Jesus as Salvador?" Sì, there have been changes. She believes that she goes to heaven despite the fact that her misconduct makes her feel constant condemnation. She now has hope. Before meeting Jesus, she was miserable and desperate. She is now miserable. Mary knows that her attitude is wrong. She wants to change. She has received advice from two people, and she enters almost every prayer lines asking for victory over anger, rebellion, lack of forgiveness, resentment and bitterness. Why hasn't she seen more better? The answer is found in Romans 12: 2: I do not conform to this world (this century), (formed and adapted to their external and superficial customs), but transform (changed) by the [all] renewal of your understanding [ for its new ideals and its new attitude], so that it will verify [for yourself] which is the good, pleasant and perfect will of God, that is, what is good, and pleasant and perfect [in his eyes for you]. Maria has strengths in her mind. They have been there for years. She doesn't even understand how they arrived there. She knows that she should not be a rebel, bossy, scolding, etc., but she doesn't know how to change her nature. It seems that she simply reacts in certain situations in an improper way because she cannot control her actions. Mary cannot control her actions because she does not control her thoughts. She does not control her thoughts because there are strengths in her mind that the devil established at the beginning of her life. Satans begins to initiate his well -established plans and sow his deliberate deceit at a very early age. In Mary's case, her problems began a long time ago at the start. When I was a child, MarAa had an extremely dominant father, who often whipped her's's I was in a bad mood. If she made a wrong move, he would dispel her anger. For years, she suffered helplessly as her father mistreated her and her mother. He was disrespectful all the way to his wife and daughter. Mary's brother, however, couldn't do anything wrong. It seemed like he was favored just because he was a child. When she was seventeen, Mary had been brainwashed for years by Satan, who had told her lies that were something like this: "Men really think they are something. They are all equal; they cannot be trusted. They will hurt you and take advantage of you. If you're a man, you've got it in life. You can do whatever you want. You can order people, be the boss, treat people any way you want and no one (especially not wives or daughters) can do anything about it". As a result, Mary's mind resolved, "When I walk away from here, no one is going to push me again!" Satan was already waging war on the battlefield of his mind. Play those thoughts over and over in your head a hundred thousand times or more over a period of ten years, and see if you are ready to get married and become a sweet, submissive, and adored wife. Even if by some miracle you should be, you don't know how. This is the kind of mess Mary finds herself in today. What can she do? What can any of us do in such a situation? The weapons of the word ... if you remain in my word [keep fast to my teachings and live according to them], you are truly my disciples. And you will know the truth, and the truth will set you free, John 8: 31,32 Here Jesus tells us how we are going to win the victory over the lies of Satan. We must gain the knowledge of God's truth in us, renew our minds with His Word, then use the weapons of 2 Corinthians 10:4,5 to tear down strongholds and every lofty and lofty thing that is exalted against the knowledge of God. These are the word received through preaching<sup>3</sup> teaching, books, tapes, seminars and private Bible study. We must "remain" (continue) in the word until it becomes revelation given by inspiration of the holy spurm. Continuing is important. In Marcos 4:24 Jesus says, ... the measure [of thought and study! You will be the truth that you hear] the measure [of virtue and knowledge] that returns to you .... I repeat, we must continue using the weapon of the word. Two other spiritual weapons for us are praise and prayer. Praise defeats the devil for any other battle plan, but it must be a genuine praise of the heart, not only from mouth to the outside or a world that tries to see if it works. Also, praise and prayer involve the word. We praise God according to him and his goodness. Prayer is related to divinity. It is coming and asking for help or talking to God about something that bothers us. If you want to have an effective prayer life, develop a good personal relationship with the father. Know that he loves, that he is full of mercy, that he will help you. Meet Jesus. He is your friend. He died for you. He knows the Holy Spirit. He is with you all the time as your assistant. Let me help you. Learn to fill your prayers with the Word of God. The Word of God and our need is the basis on which we come to it. So, our weapons are the used word in several ways. As Paul tells us in 2 Corinthians, our weapons are not carnal (carnal) weapons; They are spiritual. We need spiritual weapons because we are fighting Esp<sup>3</sup>iritus Masters, yes, even against the same devil. Even Jesus used the word of the word in the desert to defeat the devil. (Luke 4: 1-13.) Every time the devil lied to him, Jesus responded with: "He is written", and quoted the word. While Maria learns to use his weapons, he will begin to tear down the strengths that have been built in his mind. She will know the truth that she will make her free. She will see that not all men are like her father. Some are, but many are not. Her husband, John, is not. John loves Mary very much. THE SIDE OF JOHN JOHN Another side of the story involves John. He also has problems that contribute to the situation that he and Maria face in their marriage, home and family. John should be taking his position as head of the family that God intends to be the priest of his house. Juan is also born again and knows the right order for family life. He knows that he should not allow his wife to handle the home, finance, children and he. He he knows all this, but he does nothing about it except feeling defeated and retiring to television and sports. John hides from his responsibility because he hates confrontation. He prefers to adopt a passive attitude, thinking: "Well, if he simply leaves this situation in peace, it may be resolved by himself." Or, he excuses real actions saying: "I will pray for it." Of course, prayer is good, but not if it is simply a way to avoid responsibility. Let me clarify what I means when I say that John must assume the position of him given by God at home. I do not mean that he should come as "male," ranting and delirious about her authority, Ephesians 5:25 taught that a man must love his wife as Christ loved the church . John needs to assume responsibility, and with responsibility comes authority. He should be firm with his lover wife but firm. He must reassure Maria that although she was hurt when she was children, while she frees God through trusting him, she will gain the confidence that not all men are like the Father It was. John should be doing many things; But like Maria, he also has "mentalities" that open the door for the devil to keep him captive. There is also a battle in John's mind. Like Maria, he was verbally mistreated in childhood. Him's dominant mother had an sharp tongue and he frequently decisions hurting things, things like: "John, you are a disaster; they will never get to anything." Juan se "Atmetni .Atnetni ot siAm otnauc orep .)sozAm sol sodot necab omoc( n'Aicaorpa us abalehna euqrop erlam us a recalpmoc rop more mistakes he made. He had a habit of being clumsy, so his mother kept telling him how clumsy he was. Of course, things dropped because he was trying so hard to please that it made him nervous, and so he defeated his purpose. He also experienced some unfortunate rejection from children he wished to be friends with. This kind of thing happens to most of us at some point in our lives, but it devastated John because he already felt rejected by his mother. And there was a girl he really liked in his early years of high school who rejected him for another boy. By the time all these things had been told in John's life, and the devil had been working on him, building bastions in his mind for years and years, John just didn't have courage to be nothing more than calm, shy and withdrawn. John is a low-profile person who simply chooses not to make waves. For years he has been having thoughts directed to him that go something like this: "It doesn't make sense to tell anyone what you think; they won't listen anyway. If you want people to accept you, you just need to accept what they want." The few times he tried to stay firm on an issue, it seemed like he always ended up losing, so he finally decided that confrontation wasn't worth the effort. "I'm going to lose anyway in the end", he reasoned, "so why even start something? WHAT IS THE ANSWER? The Spirit of the Lord [is] upon Me, because He has anointed Me [the Anointed One, the Messiah] to preach the Good News (the Gospel) to the poor; He has sent Me to proclaim the release of the captives and the restoration of sight to the blind, to send as liberated the oppressed [who are oppressed, bruised, and broken by calamity], to proclaim the accepted and acceptable year of the Lord [the day in that salvation and the free favors of God abound profusely! Luke 4:18,19 With the conflicting problems of John and Mary. oy oy, adreuceR .asac ne adiv us se om'Ac ranigami licAfid yum se There was a lot of discord. The fight is not always an open war. Many times, the contest is a furious underlying current in the home that everyone knows that it is there, but no one takes care of it. The environment in his house is terrible, and the devil loves! What will happen to Juan and MarAa and their children? Will they achieve it? They are Christians, it would be a little to see their marriage to fail and their ruined family. Actually, however, it depends on them. John 8: 31,32 will be a key passage of writing in its decision. If they continue studying the Word of God, they will know the truth, and act in the truth will make them free. But each one must face the truth about himself and his past as God reveals it. The truth is always revealed through the word; But sadly, people don't always accept it. Continuous ... Battlefield extract of the mind by Joyce Meyer Copyright à 1995 by Joyce Meyer.
